

# ISO 9001 : 2015 CERTIFIED PHARMA & COSMETICS MANUFACTURING COMPANY PRODUCTS CATALOGUE

## COMPANY INTRODUCTION

**Vivaan Herbals & Healthcare** is an ISO-certified manufacturer and exporter of Ayurvedic, herbal, and wellness products, delivering high-quality solutions to global markets through scientifically developed formulations, advanced manufacturing systems, and structured international trade operations under its brand Moolveda Wellness.

Our state-of-the-art manufacturing facility operates under internationally recognized standards including **WHO-GMP, ISO 9001, ISO 22000, HACCP, Halal, and Kosher certifications**, ensuring that every product is produced with strict quality control, traceability, and regulatory compliance. The company is also equipped to meet region-specific regulatory requirements, enabling smooth market entry and compliance for international buyers.

**Vivaan Herbals & Healthcare** supports global partners with contract manufacturing, custom formulation development, and private label solutions, offering scalable production capacity, transparent supply chains, and dependable export execution.

## LEADERSHIP & GLOBAL OPERATIONAL EXPERTISE

Our leadership team combines Ayurvedic pharmaceutical expertise, disciplined manufacturing systems, structured supply chain management, and professional export operations, ensuring consistent quality and reliable international supply.

**Mr. Hitesh Chauhan**  
Director, Business Strategy & International Operations

M.Pharm (Ayurveda), leads corporate strategy, international market expansion, and contract manufacturing initiatives, supporting global distributors and wellness brands with regulatory-aligned Ayurvedic formulations and herbal product solutions.

**Mr. Chirag Dholu**  
Director, Manufacturing Operations & Quality Systems

M.Pharm (Ayurveda), oversees WHO-GMP compliant production systems, manufacturing processes, and quality assurance frameworks, ensuring product consistency, traceability, and compliance with international manufacturing standards.

**Mr. Dhananjay Shukla**  
Director, Supply Chain & Commercial Operations

Leads strategic procurement, herbal raw material sourcing, vendor development, inventory planning, and logistics coordination, ensuring supply chain reliability and efficient order execution for international clients.

**Mr. Bharat Jadav**  
Director, Export Business Strategy & International Business Development

Engineer with extensive techno-commercial expertise in international operations and export-import management. Leads global market expansion, international compliance, and strategic buyer engagement, ensuring efficient and compliant end-to-end export execution aligned with international trade standards.

## CROSS-FUNCTIONAL OPERATIONAL CAPABILITY

Our leadership is supported by a cross-functional team operating under international standards and SOP-driven systems, covering all critical functions of a global manufacturer-exporter:

- International Procurement & Global Sourcing
- Production Planning, Manufacturing Control & Supply Chain Auditing
- Regulatory Compliance, QA/QC & Documentation Systems
- Custom Packaging, Contract Manufacturing & Private Label Solutions
- Export Logistics, International Trade Documentation & Compliance
- Global Client Management & Market Development

Through this structured operational framework, Vivaan Herbals & Healthcare, through its brand Moolveda, ensures consistent product quality, regulatory compliance, supply chain transparency, and reliable export execution—giving global buyers confidence in partnering with a trusted manufacturing and export organization.

# HAIR CARE

## VITAMIN C SERUM

Moolveda Vitamin C Serum brightens skin, evens tone, and enhances natural radiance.

It helps reduce dark spots, pigmentation, and signs of aging.

This serum deeply hydrates, boosts collagen production, and improves skin elasticity.

Infused with antioxidants, it protects against environmental damage and UV stress.

Made with natural ingredients, it is lightweight, non-greasy, and suitable for all skin types.

## ALOE VERA ROSE GEL

Moolveda Aloe Vera Rose Gel hydrates, soothes, and refreshes the skin naturally.

It helps reduce redness, irritation, and dryness while providing a cooling effect.

This gel nourishes the skin, promoting a soft, smooth, and radiant complexion.

Infused with aloe vera and rose extracts, it calms the skin and restores its natural glow.

Free from harsh chemicals, it is suitable for all skin types and daily use.

# SKIN CARE

## ROSE WATER

Moolveda Rose Water is a natural toner that hydrates, soothes, and refreshes the skin.

It helps balance the skin's pH, tighten pores, and enhance natural radiance.

This rose water calms irritation, reduces redness, and provides a cooling effect.

It can be used as a facial mist, makeup setting spray, or hair refresher.

Made from pure rose extracts, it is 100% natural, alcohol-free, and safe for all skin types.

## HARNOSUM TALC POWDER

**Controls Sweat & Moisture** – Keeps your skin dry and comfortable by absorbing excess sweat.

**Prevents Body Odour** – Helps fight bad odour and keeps you smelling fresh all day.

**Soothes Irritated Skin** – Calms itching, rashes, and prickly heat with its gentle formulation.

**Cooling & Refreshing Feel** – Gives an instant cooling sensation, perfect for hot and humid days.

**Softens Skin Texture** – Leaves your skin feeling soft, smooth, and lightly scented.

## DERMOSUM TALC POWDER

**Relieves Skin Itching** – Soothes and calms irritation caused by sweat, rashes, or allergies.

**Absorbs Excess Moisture** – Keeps skin dry and prevents fungal infections.

**Prevents Prickly Heat & Rashes** – Ideal for hot and humid weather to avoid heat-related skin issues.

**Herbal & Gentle on Skin** – Made with natural ingredients, safe for daily use on sensitive skin.

**Leaves Skin Cool & Fresh** – Provides a refreshing, cooling effect with a pleasant herbal fragrance.

# SKIN CARE

## UNDER ARM ROLL ON

Controls Sweat & Odour – Keeps underarms dry and odour-free for long hours.

Brightens Underarm Skin – Helps reduce dark patches and evens out skin tone.

Gentle on Sensitive Skin – Alcohol-free and enriched with natural actives for daily use.

Soothes & Refreshes – Provides a cooling sensation with a mild, pleasant fragrance.

Prevents Bacterial Growth – Helps maintain hygiene by reducing bacteria that cause bad odour.

## BEETROOT LIP BALM

Moolveda Edible Beetroot & Rose Lip Balm Roll hydrates and nourishes lips with a natural rosy tint.

It is made with edible-grade ingredients, ensuring safety for daily use.

Infused with beetroot and rose extracts, it keeps lips soft, smooth, and moisturized.

This lip balm protects against dryness, cracking, and environmental damage.

Free from harmful chemicals, it provides long-lasting hydration with a subtle fragrance.

## STRAWBERRY LIP BALM

Made with 100% edible ingredients, safe even if licked.

Deeply moisturizes lips with natural strawberry goodness.

Gently heals dry, chapped lips without harmful chemicals.

Soft, smooth care with a naturally sweet strawberry taste.

Perfect for daily use with worry-free, edible lip care ☐

# SKIN CARE

## PINEAPPLE LIP BALM

Made with 100% edible ingredients, safe even if licked.

Deeply moisturizes lips with refreshing pineapple goodness.

Gently heals dry, chapped lips without harmful chemicals.

Smooth, non-sticky care with a naturally sweet pineapple taste.

Perfect for daily use with worry-free, edible lip care

## CRANBERRY LIP BALM

Made with 100% edible ingredients, safe even if licked.

Deeply moisturizes lips with rich cranberry nourishment.

Helps soothe and repair dry, chapped lips naturally.

Smooth, non-sticky care with a mildly tangy cranberry taste.

Ideal for everyday use with worry-free, edible lip care

## GOJIBERRY LIP BALM

Made with 100% edible ingredients, safe even if licked.

Deeply moisturizes lips with antioxidant-rich goji berry care.

Helps repair dry, chapped lips and keeps them soft.

Smooth, non-sticky formula with a mild, natural berry taste.

Perfect for daily use with worry-free, edible lip nourishment

# SKIN CARE

## COLD CREAM

Moolveda Cold Cream deeply nourishes and hydrates dry skin for lasting softness.

It protects the skin from winter dryness, keeping it smooth and moisturized.

This cream restores skin elasticity, leaving it supple and radiant.

Infused with natural ingredients, it soothes irritation and prevents roughness.

Free from harsh chemicals, it is suitable for all skin types and daily use.

## SANDAL FACE TONER

Infused with Sandalwood to calm and refresh the skin.

Niacinamide helps brighten tone and reduce pores.

Korean Rice Water hydrates and improves skin clarity.

Controls excess oil and supports even skin texture.

Gentle, alcohol-free formula suitable for daily use.

Enriched with Green Tea to detoxify and soothe the skin.

Niacinamide refines pores and evens out skin tone.

Korean Rice Water hydrates and enhances skin texture.

Controls excess oil and helps reduce acne breakouts.

Alcohol-free, gentle formula suitable for all skin types.

## GOJIBERRY FACE TONER

Gojiberry helps boost skin radiance and fights dullness.

Niacinamide reduces dark spots and smoothens skin tone.

Korean Rice Water deeply hydrates and revitalizes skin.

Minimizes pores and improves overall skin clarity.

Alcohol-free, gentle formula for all skin types.

# SKIN CARE

## ALOEVERA FACE TONER

Aloe Vera soothes, cools, and calms irritated skin.

Niacinamide helps brighten skin and reduce dark spots.

Korean Rice Water provides deep hydration and smoothness.

Refines pores and balances oil production.

Alcohol-free formula suitable for all skin types.

## NIACINAMIDE ALUM & NEEM FACE CLEANSER

**Deep Cleansing Action :-** Effectively removes dirt, oil, and impurities from the skin.

**Brightening & Clarifying :-** Niacinamide helps brighten dull skin and reduce dark spots.

**Oil & Acne Control :-** Neem and Alum help prevent acne and breakouts. Balances oily skin without stripping moisture.

**Gentle & Nourishing :-** Free from harsh chemicals, sulphates, and parabens. Gentle enough for daily use on all skin types.

**Herbal Freshness:-** Crafted with natural ingredients for a refreshing cleanse. Gives skin a cool, revitalized feel after every wash.

## BELLY BUTTON OIL

Moolveda Belly Button Oil nourishes the body by deeply hydrating through the navel.

It helps improve digestion, boost metabolism, and support overall wellness.

Infused with natural ingredients, it balances the body's internal healing process.

Infused with aloe vera and rose extracts, it calms the skin and restores its natural glow.

Free from harsh chemicals, it is suitable for all skin types and daily use.

# SKIN CARE

## CLEANSING MILK

Gently cleanses skin while maintaining natural moisture balance.

Removes dirt, makeup, and impurities without drying the skin.

Soft, creamy formula leaves skin smooth and refreshed.

Soothes and nourishes skin for a healthy, radiant glow.

Suitable for daily use on all skin types, even sensitive skin.

## EXFOLIATING FACE SCRUB

Gently exfoliates to remove dead skin cells and impurities.

Unclogs pores and helps reveal fresh, glowing skin.

Smooths skin texture for a softer, clearer appearance.

Enriched with natural exfoliants for effective yet mild care.

Ideal for regular use to maintain healthy, radiant skin.

## BODY LOTION

Deeply nourishes skin for long-lasting softness and comfort.

Locks in moisture to keep skin smooth and hydrated all day.

Enhances natural glow for healthy-looking, radiant skin.

Lightweight, fast-absorbing formula without greasiness.

Perfect for daily use on all skin types.

# SKIN CARE

## UNDERARM MIST

Helps brighten underarms and promote an even skin tone.

Controls odor while keeping underarms fresh all day.

Gently cares for sensitive underarm skin with regular use.

Fast-drying, non-sticky mist for comfortable daily application.

Suitable for men and women for everyday underarm care.

## GLYCOLIC & KOJIC ACID CREAM

Helps reduce dark spots and uneven skin tone.

Gently exfoliates skin for a brighter, clearer look.

Supports skin renewal for smooth, radiant texture.

Lightweight, non-greasy cream for daily use.

Promotes visibly brighter and more even-looking skin.

## BODY WASH

Deeply cleanses skin while removing dirt and impurities.

Helps brighten skin for a fresh, radiant glow.

Gently exfoliates to improve skin tone and texture.

Refreshing formula leaves skin soft and revitalized.

Ideal for daily use on all skin types.

# HERBAL POWDER

## SANDALWOOD POWDER

**Skin Soothing:** Sandalwood powder has natural calming properties that soothe irritated skin and reduce redness.

**Acne Control:** Its antibacterial properties help combat acne-causing bacteria, reducing breakouts.

**Skin Brightening:** Regular use can help lighten dark spots and even out skin tone for a radiant complexion.

**Natural Fragrance:** Its pleasant aroma makes it a popular choice for homemade skincare and aromatherapy.

**Anti-inflammatory:** Reduces inflammation and itching, making it suitable for sensitive or inflamed skin.

## ROSE PETAL POWDER

**Glowing Skin:** Rose petal powder rejuvenates the skin, leaving it soft, supple, and radiant.

**Oil Control:** Helps regulate sebum production, reducing excess oiliness and preventing acne.

**Natural Astringent:** Tightens pores and tones the skin, promoting a smoother and firmer complexion.

**Anti-inflammatory:** Soothes irritated skin, reducing redness, and inflammation for a calmer complexion.

**Fragrant Bath:** Adds a luxurious floral scent to baths, elevating the bathing experience with its aromatic properties.

## ORANGE PEEL POWDER

Moolveda Orange Peel Powder is a natural skincare remedy rich in Vitamin C and antioxidants.

It helps brighten the skin, reduce dark spots, and even out the complexion.

This powder gently exfoliates, removes excess oil, and prevents acne and blackheads.
